Column (B)		(B)	Enter the amount of the NOL which is available for carryforward purposes.												
			For tax periods ending before July 1, 2005, the carryforward amount is computed by first carrying the loss back three years and then offsetting the loss by any profits during those three tax periods. (However, the carryback cannot result in an amended return or a refund in those carryback years). If a loss remains after carryback and offset, then the remaining loss must be apportioned using the apportionment percentage of the loss period. The apportioned loss cannot exceed the following limits based on the tax period the loss was incurred:												
			From July 1, 2003 to June 30, 2004, \$500,000 is the maximum amount that may be carried forward. From July 1, 2004 to June 30, 2005 \$750,000 is the maximum amount that may be carried forward. Prior to July 1, 2003, the maximum amount that may be carried forward is \$250,000. For tax periods ending on or after July 1, 2005, no carryback is required or allowed. In addition, the maximum amount that may be
